Re: Requests for prosecution — Vincent Michael Hyler, Judith Hyler, Kali S. Perkins — the taking and keeping of my son J.H. (born September 6, 2024), Mendocino County. Please place with my letter of October 15–16, 2026 (92 pages) and my letter of September 8, 2026.

To the Attorney General:

This envelope holds three requests for prosecution, one per person, each with the documents placed beside each other so that the conspiracy is visible without my having to explain it. Before the requests, this letter gives you the one thing that proves the case by itself: the order in which things happened. Intent does not need to be inferred. He announced it, and then each step followed the step before it.

THE TIMELINE

Late 2023 – Sept 2024	I am pregnant in his household in Redwood Valley. Sworn (Mendocino declaration, April 10, 2025; Lee County petition, June 15, 2026, ¶¶ 13–24): non-consensual sex as a daily condition, food and sleep withheld, confinement; two hospitalizations for blood pressure; four days locked out without food or water while pregnant; J.H. induced two weeks early.
Sept 2024 – Mar 2025	My milk stops at three months under the stress; in one stretch when the abuse paused it returned, and stopped again when the abuse resumed. He tells his family I am neglectful. Emergency room March 28, 2025; fifteen pounds lost.
Mar 15, 2025	I tell him I have to seek a restraining order because I do not feel safe. On video, drunk, having driven with J.H. twice that day, he answers: “The paperwork’s filed. And I’m goin’ full custody.” “All I have to do is call the cops and you are gone — you’re not a breastfeedin’ mother — you don’t have to take the boy with you — I know — I’ve done my homework.” “I’m not done breaking you yet.” (A partial recording of that afternoon is Exhibit E to my April 10, 2025 declaration; the words are sworn at declaration p. 5, Vol. 1 p. 137.)
Mar 16, 2025, ~3 a.m.	He threatens to kill me, on camera, with J.H. in his car. March 17: he files Mendocino No. 25FL01030. Judith Hyler takes J.H. and confirms by text that she will not return him; March 17–20.
Mar 18–20, 2025	I file for a restraining order (No. 25FL01032, consolidated beneath his). March 20: granted in full. The same day, Judith Hyler removes J.H. from my home on camera over my repeated requests.

Apr 15–16, 2025	His firearm receipt (DV-800, signed April 15, filed April 16) lists two guns — a Winchester and a Mauser — and marks “No” at item 7, while the court’s own order lists a “shot gun and other guns at mother’s house.” (Record pp. 108, 266–270.)
May 13, 2025	Order after hearing against him. Firearm surrender ordered.
Feb 11, 2026	Findings and Order After Hearing: sole physical custody of J.H. to me; Florida residence permitted; his time conditioned on sobriety. The only custody order ever made after a hearing; the later ex parte papers are the ones I challenge. (Record pp. 7–24.)
Mar 2026	He is convicted of DUI (Mendocino No. 25CR09666) and placed on 48 months of probation.
June 18 / July 6, 2026	June 18: a Lee County, Florida judge (Reichling, J.) sets my domestic-violence petition for hearing (No. 26-DR-031429). July 6: a second Lee County judge (Sloan, J.) finds in writing that I am a victim of his domestic violence, in immediate and present danger, and issues a temporary injunction (No. 26-DR-031586). (Record pp. 320–327.) Both cases were later dismissed without prejudice because I could not appear — once ill, once with no child care — never on the merits.
Aug 12, 2026	The day after a Mendocino hearing on his contempt request, he applies ex parte; the order is signed without notice to me, the domestic-violence, sexual-abuse and firearm boxes blank, no finding about J.H., expiring at the Sept 2 hearing “unless extended by court order.” The register records the notice declaration as “NOTICE NOT GIVEN” (register p. 391). His own declaration (record p. 264) says my address came from a welfare check — the same filing that calls me a concealer. (Record pp. 36–39.)
Aug 19, 2026	Lee County deputies, with a warrant drafted by his Florida lawyer and signed as drafted (“Proposed” on every page), come to the address the Florida court had sealed and take J.H. from my home. His therapy stops that day. (Record pp. 41–45.)
Aug 26 → Aug 27, 2026	J.H. is in a Ukiah clinic at 1:00 p.m. on Aug 26 (his own exhibit); the Florida order permitting travel is entered Aug 27 at 1:11 p.m. The same week the same deputy is noticed as his witness (register p. 391).
Sept 2, 2026	The Aug 12 order expires by its terms. The minutes record no extension (record p. 56). My request to be told where my son is — denied.
Sept 11, 2026	The same deputy refuses my missing-child report (No. 26494309) at about 1:07 a.m.; his lieutenant confirms the refusal in writing at 11:04 a.m.
Sept 15, 2026	Perkins states from the floor that the orders are extended; no motion; I object; no written order follows.
Sept 28 → Sept 29, 2026	I send the firearm referral to ATF and sworn complaints to the Mendocino DA and the Florida State Attorney. The next evening the same deputy arrests me at my home (Lee County No. 26-CF-017549).
Oct 14 → Oct 15, 2026	Oct 14: the First District denies my mandate petition; Perkins declares under oath that she attests only to an Oct 6 ruling and does “not request that the Court record an extension as having been made on a date when no such ruling occurred” (record p. 300). Oct 15: the judge signs her proposed order extending the expired order as of Sept 15 and “correcting” the minutes (pp. 303–304), and the same afternoon denies my request for J.H.’s return (p. 306).

Oct 18–19, 2026	I file habeas corpus for J.H. in the First District, No. A177840, 385-page record.
Oct 23 → Oct 27, 2026	Oct 23: Perkins receives my civil complaint; her memorandum seeking $36,071.58 in fees against me bears that date (request signed Oct 25, filed Oct 26, served Oct 27). Oct 26: the State of Florida gives notice that no information will be filed on the charge against me. Oct 26: Judith Hyler personally served, Vincent Hyler by substituted service, at 9501 Laughlin Way, with the civil summons and complaint and the habeas papers.
Nov 2–3, 2026	Nov 2: the First District denies my habeas petition for J.H. (A177840); my petition for review in the Supreme Court of California is due Nov 12. My second verified statement of disqualification of the Mendocino judge is served on Vincent Hyler's counsel and delivered to the Mendocino clerk for filing. I believe J.H. is still kept at 9501 Laughlin Way. No one has told me where he sleeps.

THE COUNTS, IN THE ORDER THE TIMELINE PROVES THEM

1. Conspiracy (Pen. Code § 182(a)(5)) — Vincent Michael Hyler and Judith Hyler. The plan is stated on March 15, 2025 in his words; the first act is Judith Hyler's March 17–20, 2025 taking of J.H., confirmed by her own text; the completed act is the August 2026 removal and the keeping and concealment since, which I believe she finances. Each later step followed my prior act by a day: my ATF referral and sworn complaints (Sept 28) → my arrest (Sept 29); Perkins's own declaration (Oct 14) → the order it contradicts (Oct 15); my civil complaint (Oct 23) → her fee request. The dated sequence is the evidence of design.

2. Child abduction — Judith Hyler, March 17–20, 2025 (Pen. Code § 278.5). She kept my six-month-old from me for three days, told me in writing she would not return him, and removed him from my home on camera on March 20, 2025, the day the court granted my restraining order in full.

3. Criminal threats (Pen. Code § 422) — Vincent Michael Hyler. March 15, 2025, on video: "all I have to do is call the cops and you are gone … I'm not done breaking you yet." March 16, 2025, about 3 a.m., on camera: "I'm gonna fuckin' kill you." Both sworn in my April 10, 2025 declaration, before any of this happened.

4. Perjury (Pen. Code §§ 118, 126) — Vincent Michael Hyler, with Kali S. Perkins (§ 127). (a) The firearm: his receipt marks "No" at item 7 while the court's own order lists his shotgun at his mother's house; his August 12, 2026 declaration repeats the surrender under oath (record p. 264). (b) "Impeded visitation," the only harm the August 12 order recites: the messages he relies on went to a number he knew was blocked, his own exhibits show none delivered, and in all the time those messages were going unanswered he asked no court to enforce his time. (c) The extension: Perkins's October 14 declaration and her October 15 proposed order describe two different days for the same ruling; the September 15 minutes show none.

5. The nursing — premeditated abuse of a mother and infant. A nursing mother keeps her baby. So the nursing had to end first. The record shows it ending under the regime he ran, his statement to his family that I was neglectful, and then his own words on tape: "you're not a

breastfeedin' mother — you don't have to take the boy with you — I know — I've done my homework." I ask that this be read not as background but as the first act of the taking.

6. Child abduction and concealment (Pen. Code § 278.5) — Vincent Michael Hyler and Judith Hyler, August 19, 2026 to today, with the firearm count (Pen. Code § 29825; 18 U.S.C. § 922(g)(8)) and the counts stated in each enclosed referral.

WHAT I ASK

That the Attorney General, under article V, section 13 of the California Constitution, direct that these matters be investigated and prosecuted, and that the Mendocino County District Attorney perform the duty under Family Code section 3131 to locate and return J.H. to me under my custody order. The Mendocino District Attorney has not answered my sworn complaint of September 28, 2026, and its investigator, on September 8, 2026, declined my report and contacted the suspect's lawyer instead. My son is two years old, has a neurological condition, and has had no treatment since August 19.

TWO THINGS TO READ THE ENCLOSURES BY

J.H. has never taken any medication. Where an enclosed exhibit quotes the Ukiah clinic record of August 26, 2026, the "stop" entries there (fluoride drops; a cream) do not describe any medication he was on. And in the transmittal pages of the enclosed requests, "personally served" should read: Judith Hyler personally, and Vincent Michael Hyler by substituted service, on October 26, 2026.

ENCLOSED, in this order

1. Every offense in the file — my sworn sheet, so no request is read narrower than the record.
2. Request for prosecution — Vincent Michael Hyler: November transmittal (signed), on top of the October 29, 2026 request (v9; 18 documents; signed p. 4).
3. Request for prosecution — Judith Hyler: corrected transmittal and letter (v5, November 2026; signed twice), then the indexed documents.
4. Request for prosecution — Kali S. Perkins: corrected transmittal and letter (v6, November 2026; signed twice), then the indexed documents.
5. Vincent Hyler's August 12, 2026 declaration, answered paragraph by paragraph from the record (v5).
6. USB drive: the three requests as PDFs, the March 15, 2025 recording and the Ring recordings, and the First District record (A177840, Vol. 1, 385 pp.; Vol. 2, 70 pp.; Supplemental Declaration, 17 pp.).

Every record page cited above is on the drive. I will provide anything further the same day it is requested.

EVERY OFFENSE IN THE FILE (COMPLETE; NONE IS CLUTTER)

To the enclosed referrals, complaint and letters of Carli Michelle Heller concerning her son J.H. (age two), whom I believe to be kept at 9501 Laughlin Way, Redwood Valley, California, since August 2026. Date: November 3, 2026. One copy is enclosed in each envelope.

This sheet lists every offense the record shows, by person, so that no reader has to assemble it from the enclosed documents and no referral can be read as narrower than the file. Each item rests on a court filing, a recording, or my own sworn statement; where it rests on my belief, I say so. Every recording and every document cited in the enclosed papers is enclosed with them, in paper or on the enclosed USB drive; nothing is held back and nothing here is offered as background. Where a referral below describes an offense in fewer words than this sheet, this sheet governs.

One fact of record, stated here so it is read first. On September 23, 2026, at 10:46 a.m., Judge Elisabeth Adams of the Lee County Circuit Court, signing as Administrative Family Judge, assigned to herself my case to enforce my registered custody order (No. 26-DR-006457, Filing 257661477) — the same judge who had signed the ex parte child-pickup warrant of August 19, 2026 in the companion case (No. 26-DR-005826, Filing 255217368); the next afternoon, September 24, 2026, at 2:33 p.m., she held that enforcement in abeyance (Filings 257797868 and 257797915), and my motion to disqualify her followed at 3:11 p.m. (Filing 257804382). The expedited hearing that section 61.531(3), Florida Statutes, says the court "shall" set has never been set.

VINCENT MICHAEL HYLER

Firearm. 18 U.S.C. § 922(g)(8): possession of a Remington shotgun while subject to the March 20, 2025 restraining order and the May 13, 2025 order after hearing, both requiring surrender of all firearms. The Remington was bought in December 2024 in a private sale with no dealer; the seller let me know it was unregistered or otherwise unaccounted for, and I believe that is why it was never surrendered — surrendering it would have exposed the purchase (Cal. Penal Code § 27545). He moved it to his mother's property in about January 2025, and it never appears on his DV-800. Penal Code § 118: the sworn "No" at item 7 of the DV-800, signed April 15, 2025. Penal Code § 29825.

Threats. Penal Code § 422: the recorded threat to kill me at about 3 a.m. on March 16, 2025, with the infant in his vehicle — "if you don't, I'm gonna fuckin' kill you" — which I understood then and now as: give up the child or die. The March 15, 2025 recording: "all I have to do is call the cops and you are gone … I'm not done breaking you yet."

The child. Penal Code § 278.5: keeping J.H. from his lawful custodian and concealing his whereabouts since September 2, 2026, and, in writing, not answering where he is (counsel's e-mail of October 23, 2026). Penal Code § 273a: the March 6, 2025 fall while holding him; the changing table; the 11:44 p.m. removal from the crib on March 16, 2025; driving J.H. while drunk, for whole weekends. Fla. Stat. § 787.04: removal of J.H. from Florida before the written order authorizing travel was entered (J.H. in Ukiah August 26, 2026, 1:00 p.m.; the order August 27, 1:11 p.m.),

against the Lee County warrant's own ¶ 8. A "visitation" record built on messages he knew were undelivered to a blocked number, with no request to any court for time while they went unanswered — the sworn basis of the August 12, 2026 order.

Sexual violence. Penal Code §§ 261 and 286: repeated, including throughout my pregnancy; no limitations period (Penal Code § 799); my April 2025 declaration is the account written at the time, before any of this, and my June 15, 2026 Lee County petition (¶¶ 13, 24(b)) and my October 19, 2026 supplemental declaration (¶ 13) are the sworn accounts since.

Probation. He is on 48 months of probation (Mendocino No. 25CR09666, plea March 2026). Each offense above is also a probation violation, and the drinking and driving on my recordings is the conduct the sobriety condition of my custody order was written for.

JUDITH HYLER

Penal Code § 278.5: she took J.H. many times; the March 20, 2025 taking at my home is on Ring video, the day the Mendocino restraining order issued and one day before service on her son; from March 17 to 20, 2025 she confirmed by text that she had him and would not return him. Penal Code § 273a: she took J.H. and let Vincent Hyler take him for whole weekends knowing he drove drunk with J.H. in the car — I went to her at 3 a.m. and told her, and it continued. She enabled his drinking since he was a teenager. She told me not to call the police or Child Protective Services would take J.H. (Penal Code § 136.1). I told her he was abusing me; after discussing it among themselves, her answer was that I was not giving him enough "attention," meaning sex — the inverse of the truth — and she kept enabling him. I could not tell her about the rape; the abuse she enabled made that impossible. He kept the Remington at her house from about January 2025 (18 U.S.C. § 2 with § 922(g)(8)). I believe she funds the case; her texts of March 17–20, 2025 show she knew the plan in advance (Penal Code § 182). A late-2024 lockout: she would not open her door to me while my son was locked inside with him. She signed for the Lee County registration notice September 26, 2026, and I believe J.H. has been kept at her property since August 2026.

MICHAEL HYLER

Paid off all of Vincent Hyler's bar tabs through the period of the drinking and the drunk driving with J.H.; sued as Doe 1 in Mendocino No. 26CV04599.

TOGETHER

18 U.S.C. § 241 (conspiracy against rights; see *Hooks v. Hooks*, 771 F.2d 935 (6th Cir. 1985), a civil case recognizing family members and officers acting together in a child-custody taking). A member of the family is employed by the Mendocino County Sheriff's Office and lives down the road from 9501 Laughlin Way; federal agencies should not coordinate through the Mendocino Sheriff. To my knowledge J.H. has never been entered in NCIC (34 U.S.C. § 41308; Fla. Stat. § 937.021).

OFFICIALS (18 U.S.C. § 242)

Deputy Kroh, Mendocino County Sheriff's Office, who stood at that house in March 2025 and whose office later refused a welfare check. District Attorney Investigator Guzman, Mendocino, who said after speaking with opposing counsel that nothing would happen (September 8, 2026; a transcript exists). Lt. Chapman, Mendocino County Sheriff's Office, who refused a welfare check and then performed it within forty minutes of a written report. The Lee County deputy who led the August 19, 2026 taking, returned to my house at about 1 a.m. on September 11, 2026 to refuse my missing-child report, was noticed as Vincent Hyler's witness August 26, 2026, and arrested me September 29, 2026 (the State filed no information, October 26, 2026). Lt. Desrosiers, Lee County Sheriff's Office, who confirmed that refusal in writing, September 11, 2026. Four sworn missing-child requests, unanswered.

HIS OWN SWORN CONTRADICTIONS

To Lee County (verified petition, August 17, 2026): that I had sole physical custody and that Florida was not unauthorized. His own August 12, 2026 declaration (record p. 264) says he had my address since early 2026, through a welfare check — the same filing that swore I had concealed the child.

I declare under penalty of perjury under the laws of the State of California and the United States that the foregoing is true and correct of my own knowledge, except as to matters stated on the enclosed records or stated above as my belief, which I believe to be true.
